# ACKNOWLEDGMENT

At the outset, I would like to express my sincere thanks to all those who contributed and extended fullest co-operation in preparing the project report on the subject of CTVS-OT. The help provided in the form of giving suggestions on the problems being faced by patients/attendants, analysis of the prevailing situation and ways and means to overcome same has been valuable. It would not be out of place to mention that most of the recommendations have been accepted by the Management which have gone a long way in bringing about improvements in the working.

For this, my special thanks to the Board of Management as also Dr.Pinky Yadav, Addl. MS, and Mr.K.N.Gulati, Manager (Admin) of Sri Balaji Action Medical Institute for giving me an opportunity to work with the dedicated staff, my mentor, Dr.K.J.Singh of IIHMR, Dwarka, New Delhi

It is my profound privilege to express my gratitude to Front Desk Manager, Mrs.Aruna, Cardiac Surgeon, Dr.Amit Chandra, Cardiologist, Dr.Amar Singhal and HOD, Blood Bank, Dr. Sadhna Mangwana, who all guided me and gave valuable information and feed back. I feel honoured working under their leadership. They provided all facilities and the comfort and sparing valuable time.

I would like to make a mention of the entire Nursing staff, FDAs in different specialties, Security staff, Housekeeping staff for their cooperation extended in providing information relating to my assignment
